Clenchwarton Parish Council News

Welcome to our new Parish Council News page in this magazine. We hope you all enjoyed reading our recent two Parish Council Newsletters. Thank you for all the favourable comments you made. For a trial period we have now decided to team up with the Two Rivers publication. We thought you might like to receive more frequent news and therefore be more up to date. As always any thoughts and feedback would be appreciated either to our Clerk, Jenny or myself at dirdit54@gmail.com.

Litter

In December we had another incident of fly tipping on the playing field car park. Once again it was reported to the Borough Council. They want to know of any incidents even when they can't clean the rubbish up due to their restrictions. Thanks to Mally, our groundsman for sorting it promptly. Please report any fly tipping to csnn@west-norfolk.gov.uk, use the online form at www.west-norfolk.gov.uk or phone 01553 616200.

- Another village litter pick will take place on March, 17th/18th. Meet 10.00 on playing field car park. All equipment provided. Join us and help spring clean our village.

Dogs on playing field and in Church Yard

Dog mess is still being found on the playing field. A parishioner has volunteered to start up a 'bag it & bin it' campaign to help improve the situation. Council will review after six months. Also we have had reports of dogs being loose in the church yard and urinating against gravestones and also messing on graves. I am sure we all agree this is totally unacceptable. Who wants this to happen to their loved one's grave? Please make sure it is not **your** dog as it is an offence with fines attached.

SAM 2

The SAM 2 sign has now been rotated to Station Road. Council feel it is making a difference. No feedback yet on speeds recorded.

Clenchwarton Parish Council is looking for a part-time, home based Responsible Finance Officer (RFO) to run our financial affairs. If interested email our clerk for further information and a job description.
